Welcome to
Silver Bit Angus Ranch's
35th Annual Bull Sale

Welcome to our 35th Annual spring bull sale. We'd like to thank all of our friends and customers. We really appreciate your business. It's been great to see the same faces over the years. We really can't thank you enough for your continued support. We are very blessed to get to do what we love and make a successful business out of it, here, in Idaho, where there are some of the best people and cattle anywhere. The years seem to be flying by, a lot of you have been a customer since our 1st sale. It's been fun for us to do business with the same families year after year. Now we are working with the 2nd generations & even 3rd generations of the customers we started out with. The nature of our business covers everything from the bulls you buy from us to the calves out of them you sell every Fall. We are here to help you all along the way. It means a lot to us. Thank You!

I want to thank our crew. Gudberto, Stuart, Noe, & Axel. Sometimes it is tough, but we are blessed to have some loyal employees, that have been with us for years. Making sure everything is cared for and fed. We also couldn't keep this place going without my son Bob, who runs the farming end of things & keeps everything running around here. I also want to thank everyone that helps us at the bull sale. We have some great friends and neighbors that help us every year. We appreciate you all.

We are selling 114 yearling bulls. They have been on feed here at our ranch since last September. We keep them here at the ranch, a mile high, bulls calves summer at 6000'. All bulls have been tested PI-BVD negative & Breeding Soundness Tested by Dr. Jeff Bennetts of Challis, ID and are guaranteed sound breeders. In Addition to our regular vaccination program, they have received wart vaccine & foot rot vaccine & boosted for both. We also Ultrasound tested for carcass data with Scott Nash of Southeast Idaho Ultrasound & all bulls were PAP tested by Dr JD Folsom of CHR.

We will also be selling approx. 60 Commercial Angus Replacement Heifers. Home Raised. They all received a Multimin 90 & Vision 8 at birth. Nasalgen & Pyramid 5 @ branding, boosted with Pyramid 5 + Presponse in May of 2025. At weaning they got Multimin 90, Vision 8 w/ Somnus, Pyramid 5 + Presponse & Clean Up II at weaning. All heifers have had Preguard Gold & MultiMin 90 in March 2026.

Silver Bit bulls come from one of the strongest herds of Angus cows anywhere. Wide based, easy fleshing, good footed, good milking, with tight udders & small teats. Lots of generations of breeding like kind to like kind for a consistent maternal package. We have expanded the pure-bred side of the program with our embryo program. We have picked out the top end cows of our herd to flush. Some are second and third generation flush cows that can trace back to Dixie Erica of C H 1019, one of the top cows in the angus breed. SAV Blackcap May 5833, who is a direct daughter of SAV Blackcap May 4136, which they have sold over 10 million dollars of off spring out of her. But, our best flush cow was raised right here. SBAR Pride 210-070, an Upward daughter. She is 16 yrs old and still producing. We have sold aprox \$400,000.00 worth of bulls out of her, Ave \$7000 over the last 10 years. She is the total package. Wide based, deep bodied, good footed & high fertility. We are very pleased with the calves from this program. We have added 3 new donors to our program, all home raised & 1, W0050 is a daughter of 070. Rest assured you are getting a bull from the best of the best cows and proven AI sires in the breed. We stand behind our bulls 100%.

A lot of breeders are going all in on Marbling. That doesn't work in this country. Those cattle are usually narrow, hard doers with bad feet. We need good solid cattle that are wide, deep bodied, good footed, that can go to the top of these mountains and come back with a big calf, bred up, and still hold their own flesh. That is what we have been breeding for at Silver Bit Ranch for over 50 years. We have feedlots that call us before the summer sales asking for a list of Lot #s of calves out of Silver Bit Bulls. Most have been buying them for 20+ years, but we get a few new ones each year. They say they out feed & out perform some of the better known brands.

This will be our 23rd year representing cattle on the Superior Livestock Video Auctions. Superior has nationwide marketing with over 9000 registered buyers. We've developed a reputation for representing good quality cattle. We are a member of the Superior Progressive Genetics program, every feedlot in the country watches the Summer Sales because they know the best calves in America will be on them. Last year Silver Bit sired calves topped the summer sales. Give us a call if we can help you market your calves on Superior. If we market your calves on Superior, we offer you a 10% discount on any bull over \$5000 you buy at our sale.

This year the sale will be broadcast live on the internet with Superior Productions new bidding platform Bid.SuperiorLivestock.com. If you can't make it to the sale, you can register to bid online, or over the phone, just call 800-422-2117 for help getting registered.

Sincerely,

Scott & Gwen Whitworth

What our customers have to say about Silver Bit bulls.....

© Kir Lambert

“Silver Bit Bulls have been a major influence in our cattle herd for better than 20 years. Our experience has been having calves that sell well, with high gains & desirable carcass scores, often going to repeat buyers. The gentle disposition of the bulls carries through in the calves and subsequent cows from the many replacement heifers we have kept from them. Scott & Gwen have succeeded in raising high performing bulls that hold up on tough Idaho ranges. Their bulls have added to the maternal side of our cow herd with good udders & overall longevity.” ...Bruce, Tom & Seth McFarland, Carmen, ID

“We have bought bulls from Scott & Gwen for several years and never been disappointed with the cattle. Being able to buy a set of bulls in volume that are full and half brothers from one place is great for us. We come back year after year for these bulls because they survive on the high desert we run on and that has also carried over and helped put longevity into our replacements. Since implementing Silver Bit Angus bulls, we have noticed our carcass reports getting better & better, that has earned us repeat buyers on the calves. The docility of the bulls has improved greatly over the years, and anyone can appreciate that. These are truly good bulls from outstanding people.”

“Small Ranches have bought bulls from Silver Bit for more than 25 years. The bulls are easy to handle and produce some really nice calves. The calves have always done very well for us. They are easy to handle, they have good confirmation & gain well. The replacement heifers do well in our mountainous terrain. We have been very satisfied with the bulls we have purchased & plan on continuing to add their lineage to our herd.”

Kevin Small, Small Ranches, Dubois, ID

“I have been buying Silver Bit bulls for over 30 years and have always been happy with how they put pounds on calves, produce mother cows with good bags and mothering ability, hold up on our range that is over 6000' altitude. Scott and Gwen are always great to deal with and always stand behind the bulls they sell.”

Herb Whitworth, Elkhorn Ranch, Mackay, ID
